# Tomislav Balabanov

CEO at Devlent

## Summary

I'm a creative web developer dedicated to building and optimizing the performance of user-centric, high-impact websites for nationwide and global companies. Leverage technical, analytical and problem-solving skills to create dynamic, high-speed websites, apps and platforms fueling competitive advantage and revenue growth.

Highly professional and communicative, always deliver on time and Guarantee 100% Satisfaction and Quality.

Loves to share enthusiasm and passion for design.

---

## Experience

Devlent

Founder & CEO

March 2018 - Present (2 years 3 months)

Skopje, Macedonia

We have started with a mission to change the digital presence of the business that has been located in Skopje, Macedonia. Because they all had poorly designed websites and most of them were non-functional. The passion for designing pixel perfect (superlative), user-friendly websites and with user experience in mind we aim to take your business to the next level.
